Praise & Prayer Requests

Wendy Stevens has finished all her rounds of chemo and had a PET scan last week. Please pray for a complete remission of all cancer! She is so grateful for all your prayers! And please pray for complete peace as we wait for the results!

Prayer Request from Michael Wescoat:

A client of ours has a daughter who was just diagnosed with a type of cancer in her kidney, she is 7 years old. Her name is Autumn Rose. They immediately scheduled surgery, which happened Wednesday to remove her kidney and begin chemo.

Please be in prayer for the Stahl Family: Suzanne Stahl's sister Michelle Quist passed away.
