

# PRECEPT UPON PRECEPT – THE BOOK OF REVELATION

“True Christianity is a real relationship with God.” A *relationship* with the divine, the supernatural? Is this *really* possible or just a religious slogan? Can we truly *know* God rather than just knowing about Him?

Decades of modern research identify good communication as foundational and *one of the greatest required skills* in a relationship. In the church this is often practiced as just prayer. But prayer without the Word of God is a one-sided conversation. Both Old and New Testament remind us that humans do not live by bread alone but by every word that comes from God’s mouth. Without the Word, people run on their own steam, thoughts, and impressions, leaving them vulnerable to building their lives on sand.

Come to the next Precept upon Precept group meeting to practice talking and discussing with God through prayer, AND to better hear and listen to Him through His Word. We will be going through the book of Revelation to grow our relationship with the Lord.

- Precept upon Precept is based on the inductive method to help people discover God’s truth for themselves, moving beyond just hearing. It involves hands-on study, observing well, marking-up scripture, using cross-references, and group discussion to overcome confusion and better understand and apply what the Word says.
- The book of Revelation is an amazing opportunity to take the time to be with God and build a great relationship and learn about the end times. The group utilizes a workbook that can have up to 5 hours of homework per week. It will take us to so many other parts of the Bible and will build over almost two school years overall (as we usually do not meet during the summer because many of the group are unavailable. We also do not meet around holidays and vacations.)

Class is held each Wednesday from 6:35 to 8:00 pm in room #4. Contact Jack Knutzen at 562-810-7808 or email at [knutzen4@gmail.com](mailto:knutzen4@gmail.com) for more information and to get the first workbook. The study consists of four workbooks which Jack will order (includes shipping).

We know this takes time and effort. Many have been involved in Precept for over 30 years and testify to the value of the effort involved. When you participate, you will hear, understand and remember what our Lord says far more than if you just listen to someone talk about Him, truly knowing God, and continuously and deeply discussing life with Him.
