

# Table Talk

PEACE THAT HITS DIFFERENT | PART 5

## Discussion questions and conversation starters based on this weekend's sermon!

1. When was the first time you felt confident that God spoke to you, and what impact did it have?
2. Have you ever prayed for a booming voice from God but only got a “whisper” you almost missed?
3. Why do you think God often speaks in a whisper instead of a booming voice?
4. If your faith journey was a phone plan, would you have “more bars in more places” or “can you hear me now” moments?
5. Which of the four steps from Samuel's story (prize His voice, pursue His presence, position to serve, push toward His call) do you most need to grow in right now?
6. When you ignore God's nudges, do you act more like a toddler saying “five more minutes” or a teenager saying “leave me alone”?
7. How has Scripture guided you through a confusing or difficult decision?
8. Which would you rather—God speak through a burning bush, a text message, or a friend's awkward advice?
9. What does it look like in real life to “pursue God's presence” without asking Him for anything?
10. Have you ever felt God leading you, but wished He gave you the whole GPS route instead of just the “next turn”?
