Mabelvale Middle School

Tell Us About Your Organization/School

- Mabelvale Middle has approx. 560 scholars of which about 200 are from various Hispanic countries where many speak little to no English, approx. 230 are blended or African American while about 30 are other ethnic groups. We also have a diverse group of staff who work hard daily to educate and meet the needs of our scholars . We are a school who cares for the whole child and knows that it takes a village to promote positive growth

How can a group from Geyer Springs Partner with you throughout the year?

- Geyer Springs FBC can help this village by just being present. Your presence at this school can help support and encourage everyone.
- Being able to meet the needs of the students, staff and families is valuable. Such things as healthy snacks, drinks, volunteer mentors, flowers for office staff, special surprises for staff members/students, support with community cafes which are like an open house night (such as helping provide food for the families, moral support, connection to needed family resources/services, joining this village as family to build bridges and erase barriers.
- Aug 3 and 4 are check-in days for students 10am-4pm Helpers could come to be a greeter or to staff a table with school information or assist those who need help filling out their paperwork.

- Aug 8 is the first Community Cafe which is kind of like an Open House but includes resources from the community. GSFBC is welcome to bring whatever you like. Also you are welcome to help with decorations, set-up, clean-up, assisting the caterer.

"We invite any ideas or suggestions you may have to help enhance our school family."

Otter Creek Elementary

Tell Us About Your Organization/School

- **What is the makeup of the population of your school?**
 - 49 staff and 362 students 33 certified staff and 16 non certified
