****PROCUREMENT TIPS!****

How to Procure..... Its easier than you think. Take a form to your favorite business, someone who knows you is more likely to give you something. Do you have a family member who owns a business? Most any business has something we can use. If you can bid on it, it will bring us in some \$\$\$\$
I'd rather buy something.....

Need Ideas?

*Put together a theme party with décor, plates & cups, balloons and games. Spider Man * Barbie * Dinosaur * Beach

*Make an Emergency Survival kit – or buy one ready to go and add a few things to it

* Kids Themed Room- Buy sheets, throw pillows, posters, stuffed animals, and books.

Maybe you have a gift that you never returned, but you know someone will love it!

*Please complete the donation form "attached" or pick one up from the school office.

*Each donated item should be on its own individual procurement form.

*Completed forms can be dropped off at the school office with item attached.
