## WEEK 1

### What is a ONE? | Additional Questions

- Do you have experience of God working through you or someone you know? How did it change you? Share your story with the group.
- Have you ever told the people who blessed and invested in you how your relationship with them helped you to “see” Jesus more clearly and helped move you closer to him? If so, how did they respond? If not, how do you imagine they would respond?
- Where do you regularly go where you intersect with people who don't yet follow Jesus (work, hobbies, sports/exercise, school runs)?
  - In what ways might you imagine God might be working in those places you regularly go?
  - Do any people or names come to mind? If so, share their initial(s) if you feel comfortable.
- Perhaps you aren't able to list many places you go where you regularly intersect with people who don't yet follow Jesus. How can you make yourself more available to potential ONEs?
