## WEEK 5

### SURRENDER to God's Lead | Additional Questions

- Of the spiritual practices listed in the manual (pg 18), which did you choose to move closer to flourishing? Why? Are there any steps God might be calling you to do to grow closer to flourishing in your chosen practice?
- Think of a recent moment you felt nudged to speak, act, or show love—but resisted. What held you back? What might surrender have looked like?
- How can you tell the difference between the *pressure* you put on yourself and a *prompt* from the Spirit? What makes you more likely to ignore or delay obedience to the prompt?
- In what ways might your faith story resonate with your ONE? Are there any detours, roadblocks or intersections in your life that they might relate to?
- What is the best way to handle hard spiritual questions from your ONE? Is it ok to answer with an “I don’t know?”
