

Medical Service with IHDN

Fall Trip: Oct 2-18, 2024

Each year, Dr Edem Agamah (a local oncologist and professor at SIU School of Medicine) leads two medical serve trips to the IHDN hospital in Ghana that he founded. It is near the village where he grew up, and they serve a remote area where medical care is difficult to get. This is a wonderful opportunity for medical professionals to serve, and for medical students to learn! Cost for the fall trip is \$3,900 and includes airfare. For more information about this trip or to register, please contact June Agamah at jcagamah@aol.com.
