

### **Make ACTS2 a Regular Component of your Small Group Gatherings**

As you move ahead in encouraging and keeping one another accountable, we have compiled a list of options to ask, pray and/or discuss each time your small group meets. Select only one option and engage in discussion and/or prayer each time you meet.

As the small group leader you can choose to do the same option for a few meetings in a row OR rotate through the options doing a different one each time you meet and then starting over again after you have done some or all of them. Not everyone needs to share, and practicing these options should only take up about 10 minutes of your small group time.

Remember God is working in you AND in your ONE(s) as you join Him in the work of loving and extending grace to the ONE(s) He has placed in your life. This is about helping those in your group see God at work and giving each other courage as you all share your own journey of joining God in His work. Celebrate with one another even the smallest of movements toward God in your own lives and in your ONE's lives. Ultimately it all belongs to God and He gets all the credit. We get the privilege of going along for the ride.

It is also very important to keep reminding those in your group to pray for each other and their ONEs between your small group meetings. Joining God in His work of reconciliation (2 Corinthians 5) is rewarding, however much of the time it can be challenging. It is good to know you have people praying for you as you embark on this journey.

### **ONE AWARE options for discussion/prayer at your small group meetings after many or most have identified their ONE(s): (SELECT ONLY ONE to do each time you meet)**

- How have you been blessing and investing in your ONE(s) since we last met?
- Pray for each other and their ONEs in your meeting time - you could partner up and pray, or have each person pray for the small group member and their ONE on their left or right, etc.

- What has God been showing you about himself, about you and/or about others through your relationship with your ONE?
- In what ways have you seen the Holy Spirit at work in you or your ONE?
- How has God been challenging you as you join Him in engaging with your ONE? Pray for courage.
- What has been the most difficult thing for you in blessing and investing in your ONE recently? Pray for God's wisdom and direction.
- What have you found surprising as you have been blessing and investing in your ONE?
- What do you sense God is asking you to do next with your ONE?
- What are some examples where you've felt promptings or nudgings of the Spirit with your ONE? What did you do?
- In what ways have you surrendered to God's lead with your ONE?
