ACADEMIC CATALOGUE 2025 - 2026

GREETINGS!

Dave Reimer,
President

You have just opened a Bible college catalogue. God bless you. Your life ahead is full of options. You are looking for direction in a good place. Bible college will establish your foundations for every one of the decisions that lie before you, in whatever career you end up working. Let me share with you why SBC is a good place to build those foundations.

SBC is a Bible college. The Bible is the foundation for learning. That is a core value for us. The shifting world is in need of a foundation, now more than ever, and the Bible is that foundation. It establishes our identity in Christ and our direction in life. There is peace on that foundation. Students consistently point to Bible courses as being highlights in their ministry preparation. They leave with an ability to think biblically about the challenges that will lie ahead.

Discipleship in community is also a core value. Education is not just about gathering information. It is about developing in character to become like Christ. The campus family environment creates meaningful, lasting, personal relationships, where ideas get tested in real life. That is true in mentoring relationships with faculty and staff and also between students. This is an SBC strength.

Mission is not just a statement at SBC. Students engage in mission in the inner city, in Northern communities, and overseas. These are life-changing experiences that students talk about for decades.

SBC grads consistently return to their churches as servant leaders. We celebrate this. Churches celebrate this. The world needs this. If you are wanting to develop as a servant leader, follow Jesus, serve your church, and engage the world for the sake of God's kingdom, you're at the right place.

I look forward to meeting you in person as an SBC student in the coming year. More than that, I look forward to seeing how God will shape you for the abundant life in Christ through your experience in His Word among His people. Life really is rich. May the Lord guide you with clarity and confidence as you make these significant decisions at this important time in your life.

MISSION & CORE VALUES

Mission Statement

SBC is an evangelical Anabaptist college empowering servant leaders to follow Jesus, serve the church, and engage the world.

We accomplish this **mission** through:

- Biblical education that is practical, analytical, relational, and creative.
- Intensive faith and life formation within a discipleship community.
- Developing and discerning ministry skills with a missional focus.
- Relevant biblical and ministry training for congregations.
- Strategic partnerships in education and church ministry.

Core Values

The Core Values of SBC have driven the ministry of the college since its beginning in 1936. These values continue to be the basis of the learning process in all the educational programs of the school.

The Bible is the foundation for learning

Since the Bible is the final authority for faith and life, the truth as revealed in the Scriptures is the basis for learning. The New Testament's affirmation that "All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work," indicates the value of the Scriptures (2 Tim. 3:16).

Discipleship is the process for learning

The instruction Jesus gave as He was leaving His disciples at the end of His earthly ministry was that they were to "make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, and teaching them to obey everything I have commanded..." (Matt. 28:19). This model for teaching places the responsibility on the teacher to be an example and requires the learner to then follow that model.

Community is the context of learning

Jesus established the church as the new community of the people of God. He then commissioned this new community to be His "witnesses in Jerusalem, and in all Judea and Samaria and to the ends of the earth" (Acts 1:8). These two concepts emphasize the importance of the believer's relationships to the church and to the world community.

Mission is the purpose of learning

Jesus said to His disciples that He came "not to be served but to serve" (Matt. 20:28). Learning is not simply for personal enrichment but for the purpose of serving others. Jesus' teaching on being a servant must be the motivation for learning.

CERTIFICATE OF EXPERIENTIAL LEADERSHIP

Young adults pursuing God through faith formation, experiential leadership, and personal discovery

The **PURSUIT Certificate of Experiential Leadership** is a 4-month discipleship program for young adults (18-22) to 'seek first God's kingdom' through experiential learning, practical application, and missional experience resulting in spiritual growth, leadership development, and personal discovery in community.

PURSUIT focuses on experiential leadership including:

- **Experiential Learning:** We mix in-class lecture with real-world assignments. Regular off-campus excursions become remote classrooms, giving real-to-life context to our curriculum. Assignments are practical by nature, applying directly to student's lives.
- **Practical Application:** We put into practice in our lives the principles taught in our classroom. Spiritual discipline exercises, personal study habits, and leadership experiences are just a few of the ways we apply our assignments practically to our lives.
- **Missional Experience:** We develop servant leaders and disciples of Jesus by learning to value the global Church and experiencing other cultures. Students serve locally and travel internationally to learn from missionaries and ministry workers.

PURSUIT stresses reintegration of experiential learning into life in our home communities and churches through extensive debriefing and re-orientation preparation. Students will discover how learning from new contexts are meant to inspire love for God and ministry in the most important ministry—engaging the world of family, church, and work with the claims of Christ.

Program advantages include primary instruction from regular college instructors, fundraising for the mission trips component, and two international mission and service opportunities.

Our graduates are involved serving in churches, camps, missions, and their communities. Students may continue in one of the Bible or vocational pathways at Steinbach Bible College.

Learning Outcomes

- **Spiritual Growth:** Students learn to study Scripture, worship, and spend time in prayer. Students discover tools of spiritual disciplines and faith formation and develop healthy habits of obedience & faithfulness, understanding their beliefs while demonstrating & sharing the Gospel.
- **Leadership Development:** Students develop servant leadership skills for church and ministry. Through engaging teaching and practical workshops students discover their personal character and gifts, practicing their leadership by leading a team and being part of a team.
- **Personal Discovery:** Students serve in intercultural contexts, pursuing the Holy Spirit's leading. They realize their gifts and passions and practice discernment in mentor and peer relationships. Students gain confidence in their direction for life as they follow Jesus in discipleship.

STUDENT MINISTRIES

SM100 Service Learning

Service Learning involves a practical experience, which supplements and applies regular classroom study. In order to gain one non-academic unit, a student must successfully complete the equivalent of ten Service Learning assignments (minimum 20 hours) per semester in a placement mutually agreed upon by the student and their Faculty Advisor.

SM200 Pursuit Practicum

Practicum offers supervised ministry experience, debrief and discernment conversations, and written reflection totalling 50 hours of ministry per credit hour.

SM250 Marketplace Practicum

This practicum is designed to develop the integration of the student's choice of career field and its integration with their faith.

SM300 Internship I

This course provides intensive supervised ministry experience, alongside reading, and written reflection in the student's major field of study, totalling 150 hours. Internships are an integral part of preparation for ministry and offer students more extensive ministry experiences than are possible in Service Learning assignments. They involve an integration of classroom learning with field experience under the guidance of experienced persons in ministry, with the desired outcome of guiding and growing students as followers of Jesus who serve. The priority focus of this internship will be the introduction of the student to active ministry within a real world/real time ministry context. Central to this integration is the development of a working relationship with another person in ministry with a focus on the student as a disciple in development and on the Ministry Supervisor as a mentor, and reflection directed by their Faculty Advisor.

Available for Biblical Studies and Christian Leadership Pathway.

SM400 Internship II

This course provides intensive supervised ministry experience, reading, and written reflection in the student's major field of study, totalling 200 hours. Internships are an integral part of preparation for ministry and offer students more extensive ministry experiences than are possible in Service Learning assignments. They involve an integration of classroom learning with field experience under the guidance of experienced persons in ministry, with the desired outcome of guiding and growing students as followers of Jesus who serve. The priority focus of this internship will be to further develop a ministry mindset within a team context, and advance ministry competencies. Central to this integration is the development of a working relationship with another person in ministry with a focus on the student as a disciple in development, on the Ministry Supervisor as a mentor, and reflection directed by their Faculty Advisor.

The priority focus of this internship will be to advance leadership skills through involvement at "leadership level", and intentionally consider ministry issues from a leadership/solution orientation. Central to this integration is the development of a working relationship with another person in ministry with a focus on the student as a disciple in development and on the Ministry Supervisor as a mentor.

Student Classification

Students taking 1-11 credit hours per semester are classified as part-time, while those taking 12 or more credit hours per semester are classified as full-time. A normal course load per semester is 15-16 credit hours.

Course Registration Procedure

Early registration is recommended. Textbooks must be pre-ordered, so to ensure textbooks arrive on time, it is recommended that the registration process be complete by July 31st for semester 1 and November 30th for semester 2. Late registration may be permitted during the first two weeks of each Semester if prior arrangements are made with the Registrar's Office.

Credit Hour System

Course loads are rated according to credit hours. In general, one credit hour is given for one 50 minute period of classroom instruction per week for a semester. Three credit hours is based on two 75 minute classes and six hours of homework per week. A semester normally consists of 12 weeks of classes plus 1 week of exams.

Audit Courses

Students who audit courses pay half tuition, but are not permitted to submit assignments or write examinations. Students auditing a course, and later wishing to convert that course to credit, must take the course as a regular class or as a Directed Study. No Challenge Exams are permitted for courses taken by audit.

Course Changes

Course changes may be made up to two weeks into each semester. Any changes made after this point must be made through the Registrar's Office. The full schedule for course changes and refunds will be available in the student handbook.

Class Attendance

Regular class attendance is expected, with a minimum of 80% attendance required to pass the course.

Directed Studies

Students may request a Directed Studies course that is not classroom taught in the academic year. Normal course assignments will be increased by 50% to supplement the absence of classroom instruction. Students will normally complete at least one year of college studies with a GPA of 2.5 or better before requesting Directed Studies courses. The Academic Dean reserves the right to accept or reject a request for Directed Study.

Letter of Permission

Students registered in a program of study and wishing to take courses at another institution for transfer to the program must request a visiting student Letter of Permission from the Registrar's Office to ensure the transfer of credit.

Withdrawal from the College

Students withdrawing from college studies for the remainder of the year must complete the *Withdrawal from College Studies* Form. Arrangements must be made with Student Services, the Registrar's Office, the Library, and the Finance Office. Courses will only be dropped or transcripts released once the forms are submitted to the Registrar's Office.

Students complete a core of courses designed for faith formation and ministry development. This core consists of courses in Biblical-Theological Studies, Arts & Sciences and Professional Studies. Degree students are encouraged to declare a minor or focus area in their first or second year of studies. Students choose electives in addition to the core courses.

In addition to the academic requirements of the various programs, full-time students participate in Service Learning units. One semester of Service Learning equals one unit. See program descriptions for Service Learning requirements.

Policy Changes

SBC reserves the right to change policies, programming, or fees at any time. These changes may apply to current students as well as prospective students according to SBC's discretion.

Educational Philosophy

The mission and core values of the college shape the educational philosophy. In fulfilling its mission, the college seeks to promote a conviction and appreciation of theology and values rooted in an evangelical Anabaptist understanding of the Lordship of Christ. Education will strive to attain standards of quality found in universities and colleges in Canada and the United States. The college equips students with biblical understandings, ethical character, and skills for work in life and ministry. The program instills attitudes, skills, and disciplines for the love of God and service of others. Graduates can expect to possess ministry skills and experience in diverse contexts as well as a desire to advance God's mission through the church and for the world.

The Bible is the foundation for learning

The Bible and its teaching is the beginning of the educational process. Whether the learning situation is one of direct Bible study, ministry development or arts and sciences courses, biblical teaching is integrated into the material to develop a worldview consistent with God's revelation in His Word.

This rooting of the educational process in the Bible will provide students with a foundation for life. Whatever life directions students might take, their directions will be guided by this foundation.

Discipleship is the process for learning

In this educational model, the instructors become active facilitators, guiding students in the learning of faith and conduct. Discipleship also requires individual interaction between the teacher and student that will develop accountability for effective evaluation of the learning.

Having experienced a discipleship model, students will be equipped to enter life situations to disciple others. Students will continue to learn from mentors and will take opportunities to mentor others.

Community is the context of learning

The learning process at SBC is designed to foster interaction among students, and between students and faculty. This development of character and knowledge in the Christian educational community prepares students for their participation in the immediate and larger world community.

Through participation in the community, students will realize that they will always live in community and will continue learning from the community whether from the church or society in general. Learning involves both a receiving from and giving to community. Having learned the importance of relationships in this community, the student will continue that throughout life. Service in the community will be in providing servant leadership to the community but also in following other leaders.

Mission is the purpose of learning

At SBC, learning is not limited to the classroom and library. Learning happens off campus through service learning assignments that relate to the students course of studies. All students are required to participate in Mission Xposure, our annual cross-cultural excursions. The academic and the practical aspects of education are very consciously integrated to provide intensive learning situations.

These experiences in mission will enable students to reach out in word and service to others, meeting their spiritual, social and physical needs. Students will witness the needs and opportunities both at home and internationally, and will commit their lives in serving God and blessing humanity.

ABOUT SBC

Statement of Faith

SBC's statement of faith provides a summary of biblical doctrine, which is consonant with evangelical Christianity, while expressing a commitment to the historic Anabaptist interpretation of the faith.

We believe

- that the Scriptures of the Old and New Testaments are wholly inspired by God and are the infallible and final authority in faith and life.
- in one God, eternally existing in three persons, Father, Son and Holy Spirit.
- that Jesus Christ was begotten by the Holy Spirit, born of the Virgin Mary, and is true God and true man.
- that man was created in the image of God, that he sinned, and thereby incurred that death which is separation from God, and that all human beings are sinful by nature and in need of redemption which can be accomplished alone by the grace and power of God.
- that the Lord Jesus Christ died for our sins, according to the Scriptures, as a representative and substitutionary sacrifice, and that all who believe in Him are justified on the grounds of His sacrificially shed blood. in the resurrection of the crucified body of our Lord Jesus Christ, in His ascension into heaven, and in His present life there for us as our High Priest and Advocate. We believe in His personal, visible, bodily coming again according to the Scriptures.
- that all who receive, by faith, the Lord Jesus Christ are born again of the Holy Spirit and thereby become children of God with power to overcome sin and live a life pleasing to God.
- that the Christian Church consists of believers who have repented from their sins, have accepted Christ by faith, are born again, and sincerely endeavour by the grace of God to live the Christ-life.
- that a way of life is taught by Christ and the Scriptures which is God's plan for the human individual and for the race, and that those who espouse discipleship of Christ are bound to live in this way, thus manifesting in their personal life and social relationships the love and holiness of God. We believe that this way of life also means non-resistance to evil by carnal means, the fullest exercise of love, and the absolute abandonment of the use of violence, including warfare. We believe, further, that the Christian life will, of necessity, express itself in nonconformity to the world in life and conduct.
- in the bodily resurrection of all people, the everlasting blessedness of the saved, and the everlasting punishment of the lost.
- that our generation is responsible for the complete evangelization of this generation and that all believers carry part of this responsibility and should make the reaching of this objective their life's work.

History

“Do your best to present yourself to God as one approved, a worker who does not need to be ashamed and who correctly handles the word of truth.” 2 Timothy 2:15

SBC had its beginning as a Bible School when Rev. Isaac Ediger, Rev. Jacob W. Reimer, and Rev. Henry P. Fast along with 13 students met at Steinbach Mennonite Brethren Church from November 16, 1931 to February 21, 1932. In the following years regular classes were discontinued, but students from the Steinbach Mennonite Brethren Church, the Fellowship of Evangelical Bible Churches, and what is now the Evangelical Mennonite Church met for evening Bible classes with Rev. Jacob W. Reimer. Attendance grew. In November 1936, Principal John G. Berg (1936-43) resumed daily Bible classes. He also led student teams in teaching DVBS throughout south-eastern Manitoba.

The Steinbach Bible Society was organized in September 1938 with charter members from four local churches committed to the Anabaptist fundamentals of the church. They desired that students know the Scriptures and learn to teach the growing Sunday Schools in the churches. They erected the first school building on First Street in downtown Steinbach in the fall of 1939, beginning classes in the building in early 1940.

Principal Ben D. Reimer (1945-65) continued the school’s mission of teaching and preaching the Bible with passion for missions and evangelism. By the mid-forties the school’s program had expanded, with increasing emphasis on preparing workers for the ministry of the church both at home and abroad. Annual mission conferences instilled in students a heart for global missions and for outreach in Western Canada. Reflecting these values, students were granted both a Steinbach Bible School Certificate and an Evangelical Teacher Training Association Diploma.

In 1947, the name changed to Steinbach Bible Academy as the school expanded to provide high school training for many adults in the constituency. High school classes were discontinued, but with growing demand classes resumed in 1953, along with the name change to Steinbach Bible Institute. Increasing enrolment prompted a building program and a move to its present location on a sixteen-acre campus in October of 1955 with student residences completed in 1962.

During 1960-62 the independent Board requested the Evangelical Mennonite Brethren church, the Emmanuel Evangelical Free Church and the Evangelical Mennonite Conference to assume the operation of the Steinbach Bible Institute. Since 2000, representatives of the Evangelical Mennonite Conference, Evangelical Mennonite Mission Conference, and Chortitzer Mennonite Conference (Christian Mennonite Conference as of 2015) govern the board.

President Harvey Plett (1966-82) responded to rising academic levels in the constituency by improving the academic level of the institution and arranging for transfer of credits to other Bible colleges. He kept the curriculum focused on the Bible, with a strong emphasis on missions and preparing workers for the church. The Bible Institute program educated students to “be a missionary wherever you go”, and so expanded in 1977 to a three and four-year degree program. In 1979 SBI became Steinbach Bible College to reflect the academic level, and obtained applicant status with the AABC (Association of American Bible Colleges). In the 1970s a facilities expansion program was initiated. The gymnasium was constructed in 1972 and the chapel/music building was completed in 1978. President Ben Eidse (1983-92), after a missionary life in Congo, brought a pastoral approach, spiritual depth, and academic excellence. The college equipped students in evangelism by teaching the scriptures and the cultural perspectives of people. The curriculum including Bible-theology, general studies, and professional studies stressed cultural relevance to bridge the younger and older generations. This pursuit of excellence and relevance continued through candidate status with AABC (now ABHE or Association for Biblical Higher Education) in 1987, finally resulting in accreditation in 1991. Since ABHE accreditation, a number of universities have extended credit transfer privileges for approved courses. The college library-administration building, which facilitated the separation of the College and Collegiate Divisions of SBC Inc., was completed in 1988. In 1991 the Collegiate Division was renamed Steinbach Christian High School (SCHS).

President Stan Plett (1993-2000) brought experiences as a teacher and pastor with a passion for Anabaptist faith and community. The college moved toward resourcing constituent churches through workshops such as *SBC on the Road*, creating awareness of biblical education in the Steinbach community, initiating graduate Anabaptist studies courses, and blending classroom studies with intercultural ministry through Mission Exposure Winnipeg, Northern Manitoba, and International. College and high school growth necessitated the initiation of major campus expansion in administration space and classrooms through the *Imagine Tomorrow* campaign.

President Abe Bergen (2001-2006), with pastoral, governance, and building experience, guided the campus building expansion to completion in 2004. With the Canadian Bible college movement transitioning to four-year liberal arts programs and one-year discipleship schools, the college sought a middle road of academic excellence and church ministry education. The college mission broadened to “equip students to advance the work of God in the world.” Still, SBC education was shaped by the core values of the Bible, discipleship, community, and mission. Churches were offered *Foundations* Bible and ministry courses through extension classes in Manitoba, Ontario, and Alberta. These courses were the forerunner of Berean Schools, an independent educational initiative providing ministry training in local churches in North and Central America.

President Rob Reimer (2007-2022), with Mennonite Brethren ministry and pastoral experience in the USA and Canada, brought a vision for excellence in discipleship, community life, and governance. The college refocused on a mission of “equipping servant leaders for Church Ministries” within an evangelical Anabaptist perspective. A four-year degree in ministry leadership as well as online courses were provided for this purpose. The student population became more denominationally and internationally diverse. Residence life grew so that a women’s residence was completed in 2013. Continuous improvement through regular strategic planning brought a growing staff, board, and alumni together for a common purpose.

After a one-year interim president period Terry Hiebert brought his administrative acumen to President Dave Reimer (2023-), who became president after a life of teaching at SBC, pastoring in the Christian Mennonite Conference and being the bishop of the Christian Mennonite Conference. He brings a vision of the centrality of the Bible to all that SBC does, and a commitment to serving our constituent churches and conferences.

From the start, SBC was committed to *training servant leaders* and now has over 1500 graduates serving God and churches in Manitoba, Canada and internationally.

STUDENT LIFE

Community Standards

We believe that a Christian community requires a commitment to personal spiritual growth, and a commitment to personal integrity and godly discernment in the choices we make. We believe that these commitments should guide the way we live and the way we treat others both within the SBC community and the world around us. As members of Christ's body, we will endeavour to live out Jesus' call to love as He has loved us. Through the application process all students agree to live according to the SBC Community Covenant and the SBC Community Guidelines. These documents can be found on SBC's website.

Athletics

SBC is an active member of the Southeast Futsal League (indoor soccer) and the Southeastern Volleyball League. A Fitness Room allows students to pursue personal fitness goals.

Care Groups

All dorm students will be part of a care group that meets on a weekly basis. A Care Group Leader will lead each group and will provide students with regular opportunities to share, pray, serve, and laugh together.

Commuters

Commuting students are encouraged to connect during our Commuter events (lunches etc.), all college events and to stay involved with their local church. Some events throughout the year are targeted to married students for ongoing support and encouragement to the students and their spouses.

Residence

Since we believe that community is the context for learning, residence life is a significant contributor to a student's educational experience. Full time first year students under the age of 21 not planning to live at home need to apply to the Student Services department for approval to live out of residence.

Meals

Resident students receive meals in the dining hall. Menus are posted outside the dining hall. Commuter students may purchase meal tickets at the college office. Whether purchasing a meal or bringing their own, commuter students are welcomed and encouraged to eat in the dining hall.

Laundry Facilities

Laundry machines are available for use by on-campus students. Only HE (high efficiency) detergent may be used in these machines.

Vehicles

SBC provides parking for students who have vehicles for a fee (apply at the SBC Office). Drivers are expected to obey all regulations pertaining to the use of motor vehicles.

Recreation

Many restaurants, shops, an indoor pool, parks, athletic venues, and cultural events are all within walking distance of SBC. The Mennonite Heritage Village, which is situated on the outskirts of town, will interest anyone who is historically inclined. The best mountain biking trails in Southern Manitoba are located in the Sandilands, a 20 minute drive east of Steinbach. In addition, golf courses, trails, beaches, and the city of Winnipeg are all within a short driving distance.

Chapel

SBC chapels exist to promote and encourage the spiritual nurture of the college community through inspirational times of remembrance and reflection, celebration and praise, and confession and lament. Chapel attendance is expected of all students as part of their spiritual development, and community connection (commuters are expected to attend on days they have classes).

All college Retreat

The annual All College Retreat is a time when the entire SBC community gathers for a weekend at Red Rock Bible Camp. It is intended to be a spiritual and social kick-off for the college year.

Mail

Locked mailboxes for on-campus and commuting students are located in the college. Those living in residence may ask to have their mail forwarded to the college address: Student Name, SBC, 50 PTH 12 N., Steinbach, MB R5G 1T4. Those living in campus housing will have their own mailing address on Campus Drive, Steinbach, MB.

Campus Location

SBC is located on a 16-acre campus in the City of Steinbach, approximately 50 kilometres south-east of Winnipeg, Manitoba's capital. The college is accessible by car via the Trans-Canada Highway and Highway 12, or via Highways 59 and 52.

Churches, as well as para-church organizations and service agencies, provide students with numerous opportunities to extend their training beyond the classroom. These opportunities can be found in Steinbach and surrounding communities, including Winnipeg.

Textbooks and Supplies

Textbooks can be ordered through the SBC Library Bookstore. Textbooks must be pre-ordered at registration and are not available for refund. A limited amount of school supplies can be purchased in the general office at the reception desk.

Leadership Conference

A Leadership Conference in March is offered to students, the community, and the constituency, sponsored by SBC and the supporting Conferences. A guest speaker presents a series of lectures on a topic that will challenge and encourage those in various fields of ministry.

Student Organization

Student Leadership

The **Student Council**, composed of members elected by the student body, guides the student body in matters of policy and practice. Members of the Council serve as representatives on the various student organizations.

Care Group leaders composed of returning students appointed by Student Services, provide mentorship and discipleship to students in residence.

Commuter Committee composed of returning students appointed by Student Services provide caregiving and opportunities for connection among commuter and hybrid students. Engagement is optional but highly encouraged.

These Student Leadership bodies are to be models of godly living. They lead other students through care groups or committees, by leading events, upholding the standards of the community, and working together with the Student Services team.

Publications

A yearbook is produced annually by college students under the supervision of a faculty advisor. It seeks to capture the events of the school year and to chronicle them for future reference.

Social Activities

Highlights of the year's social activities include things like a Christmas Banquet, Hootenanny, Athletics sporting events and a Graduation Banquet. Students may also participate in all-school, class and residence social activities each semester.

The library's holdings can be supplemented by resources in nearby college and university libraries, as well as materials available through Inter-Library Loan Services. The Higher Grounds Library Café and adjoining seminar room can accommodate 35 students. A photocopier is available for student use. An elevator provides wheelchair access to the second-floor library, and music facilities.
