Community Resource Center

A BEACON OF HOPE

The Church Street Community Resource Center (CSCRC) was established to expand the community service work of Shiloh SDA Church. Anchored by the Food Pantry and Shiloh Cares Community Outreach, the **Church Street CRC** will formalize our commitment to serve as a vital hub and beating heart for those in need in South Cobb County, centered in Smyrna, GA. Our continued partnership with the Atlanta Food Bank allows us to provide food and vital support to the most vulnerable in our community.

ESSENTIAL SERVICES

At Church Street CRC (CSCRC), individuals and families can access a wide range of essential services, support, and information. The CSCRC was established to address the diverse needs of the community, including social, educational, health, economic and spiritual needs.

COLLABORATION

Church Street Community Resource Center endeavors to promote a spirit of collaboration among various community organizations, government agencies, and volunteers, all working together to strengthen the bonds of neighborhoods and uplifting the lives of its residents. CSCRC is not just about providing immediate help; we hope to also empower individuals with knowledge and skills to lead more fulfilling lives.

HOW YOU CAN HELP

TAKE OUR NEEDS ASSESSMENT

Our first step in connecting with the community will be to assess the needs of Shiloh members, visitors, and families who frequent the food pantry. All are invited to participate by taking our brief survey to share feedback that can assist with developing the programs and services we will provide to those who are most in need.
