# **YOUR RESULTS**

The results are in! You are producing spiritual fruit, and this didn't come overnight. You may have even surprised yourself by the way you are responding differently to situations than you did in the past. Even if you didn't realize it, others may have mentioned you are more patient, kind, loving, gentle, joyful, and have more self-control. This is fantastic because it's evidence that you are in a transition from a life *for* Christ to life *in* Christ.

- Bible App Plan: <u>One Thing Leads</u> <u>to Another</u>

As part of your discipleship journey, you will soon be connected with a GrowthPoint Guide who will meet with you once a month over the next year to be a resource along the way. This isn't a counselor, rather someone who will help point out God's activity in your life and hold you accountable for your spiritual growth.

## Your Key Opportunity

You will be encouraged to join a GatheringPoint Leadership Development (GPLD) cohort, which is an in-depth dive into who Jesus is, who he is calling you to be, and how to continue to grow in your own discipleship journey while helping others towards Christ-like living. Decide now to allow yourself to be challenged in your daily walk with Jesus.

## What Growth Looks Like

A deeper desire to understand God's word and how God can transform every area of your life. What does the Lord require of us? Micah 6:8 tells us, "To act justly and to love mercy and to walk humbly with your God." As your discipling journey continues, you will come to understand the importance of sharing your faith through words and actions and inviting others to join you along the way.

## What You'll Discover in This Stage

In this stage, you will focus on having God included in your daily routine. Not just practicing "Jesusfirst" priorities in all you do, but thinking and processing through a Theological lens. You will take on a new perspective of who God, Jesus, and the Holy Spirit are in your life and your dependence on them for daily living.

## Your Next Steps

In this stage, you will move from appreciation of Jesus to being a disciple of Jesus. This will take a combination of learning, processing, and connecting with others. The GPLD Cohort will be a valuable resource at this stage. Cohort topics include: What is a Disciple, Who is Jesus, Who is God and What is the Church, among others. You will discover how to disciple yourself and begin a mentoring relationship with others.
