

# SNOW DAY SUNDAY

## 01.25.26 - DISCUSSION QUESTIONS

- Ephesians 4 describes a calling marked by humility, gentleness, patience, and bearing with one another in love. Which of those is hardest for you right now, and why?
- The message emphasized that unity is something God gives, not something we create. How does that change the way we approach disagreements within the church?
- When people who disagree with you observe your words, tone, or online presence, what would you want to stand out most?
- Have you ever experienced a moment where God clearly redirected or transformed you, like Paul's Damascus moment? If so, how does that shape the way you engage hard conversations now?
- What would it look like this week to be more rooted in Christ rather than carried by the waves? Be specific and practical.
