

WHEN IN ROMANS - PT. 2

Week 9 - Discussion Questions

HOW DO YOU RESPOND INTERNALLY TO CHRISTIANS WHO LAND DIFFERENTLY THAN YOU?

- Do you tend to judge (like the weak) or despise (like the strong)?
- What emotions rise up in you when you see a believer make a choice you personally wouldn't?
- What does that reveal about your heart?

HOW HAVE YOUR BACKGROUND, CULTURE, OR FAMILY SHAPED YOUR CONVICTIONS?

- What messages did you grow up hearing about grey areas like alcohol, politics, entertainment, Sabbath, clothing, music, or dating?
- Which of those were biblical? Which were cultural? Which were fear-driven?

Week 9 - Discussion Questions

WHAT WOULD SOMEONE LEARN ABOUT YOUR HEART IF THEY WATCHED HOW YOU TALK ABOUT GREY AREAS?

- Would they see humility?
- Would they see patience?
- Would they see a love for brothers and sister or would they see pride, frustration, superiority, or cynicism?

What grey-area disagreement has pulled your attention away from the beauty and simplicity of the gospel?

- Where have you let a non-essential become too loud in your heart?
- What would it look like to put the gospel back at the center?

*Next week's message will give us some practical tools we need to discern what's essential, what's secondary, and how to walk wisely in the grey. **Here's a primer question for next week's discussion:***

- How do you know whether something is a clear biblical command or a grey-area conviction?
