

Annual Calendar of Classic Hymns and Metrical Psalms – 2016

Learn the Psalms Format - Year 5

We have spent four years learning the most important and most accessible metrical psalms. The 2015 calendar will be followed again in 2016. We will sing the 52 best known Psalms in the morning services. On Sunday evenings we will sing the 52 next best known psalms (lists “C” and “D,” with some changes). We will follow the same basic calendar of hymns as we have in previous years. Otherwise, the same principles are in play:

1. The opening hymn or Psalm should be a great, majestic song of praise
2. The most outstanding and beloved hymns of the church should be sung twice a year, once in the morning and once in the evening.
3. Some attention should be paid to seasonal themes including the high points of the church calendar (the “five evangelical feast days”).
4. Communion is administered once a month, quarterly in the morning (January, April, July, October), and in the evening the other eight months of the year.
5. A check list is provided for the most usable and recommended hymns. ✓ Checks indicate hymns already provided for in the calendar.

Those who have decided to sing and read through the entire Psalter in 2016 may follow the calendars provided in 2003-2005, or those who wish to start with “Learn the Psalms” format may review calendars 2012-2015, which you can have upon request at our website: www.ipcsav.org.

Note: Hymn numbers are from the *Trinity Hymnal* (1990), Psalm selections from the *Trinity Psalter* (1994).
