### Financial Agreement

By signing the Parent/School Financial Agreement, I recognize that tuition and fees must be current in order to ensure continuous enrollment. I understand that tuition is due on the 15th of the previous month and is considered past due after the 20th. Payments received after the 20th will incur a \$10 late fee and an additional \$5 will be charged for each business day until paid in full. All accounts not paid in full by the beginning of the month will forfeit the child's spot in the program until paid. At that time, the student will be allowed back in school, if space is available. If your child must be absent from our program for an undetermined amount of time, tuition must be paid in full for the time your child is away in order to hold their space in the class.

I have also submitted the required non-refundable registration fee and paperwork in order to secure placement for my child for the 2026-2027 school year. By signing this document, I agree and understand the financial agreement and that the registration fee is non-refundable.

**Directions:** Parents will review this policy upon enrolling their child. Employees, household members and volunteers will review this policy at orientation. A copy of the policy is provided in the operational policies.

### Discipline and Guidance Policy

#### Discipline must be:

- 1) individualized and consistent for each child;

There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:

- 1) corporal punishment or threats of corporal punishment;
- 2) punishment associated with food, naps or toilet training;
- 3) grabbing or pulling a child;
- 4) putting anything in or on a child's mouth;

- 7) placing a child in a locked or dark room, bathroom or closet;
- 8) placing a child in a restrictive device for time out;
- 9) withholding active play or keeping a child inside as a consequence for behavior, unless the child is exhibiting behavior during active play that requires a brief supervised separation or time out that is consistent with 746.2803(4)(D); and
- 10) requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

### Additional Discipline and Guidance Measures

- describe the training and disciplinary measures in writing to parents and employees and include the following information:
  - (A) the disciplinary measures that may be used, such as physical exercise or sparring used in martial arts programs;
