

Looking for a way to serve the Lord? Consider joining our 5th Grade Leadership team!

Over the past 6 years Compass Kids has developed a leadership program for students in the fifth grade to help train and prepare them for moving up to the youth group AS A LEADER when they are going into the sixth grade.

We believe that you are able to learn and do SO much more than you are doing now. We believe that you can learn more about the Bible, you can learn and memorize more scriptures than you know now, we believe that you can lead and teach the younger kids as well and be a good example. So...we want to help you learn how to do all these things this year!

Are you ready??

Here we go!!

By signing my name, I am stating that I would like to be a part of the 5th Grade Leadership Team. I understand that we will have Sunday evening meetings once a month and that I will need to attend. I understand that I need to do my best to be a good example for the younger students both here at church and at my school. As a leader, I am agreeing to do my best to have a good, positive attitude while I am at church and do my best to invite others to be a part of Compass Kids.
