

LENT at ORCHARD HILL: Every year we spend the 40 days before Easter in intentional prayer and conversation about what it means to follow Jesus. Lent in 2024 at OHC will focus on prayer, fasting, generosity, and learning Jesus together.

- **The Gospel of Matthew** - We will be reading and preaching through the Gospel of Matthew together during the Lenten season. Read along with us and let's learn Jesus and his way of life together!
- **Lent Resources** - We are offering a huge host of resources to help you walk through the Lenten season, including Scripture journals, reading plan bookmarks, prayer focuses, days of fasting, and more. Find all of our Lent resources in person or through our resource page: ohohio.com/lent

Orchard Hill Tables - March 3rd after Services at OHC - We believe some of the best gifts God gives are the people and community around us. On March 3rd, we are creating an intentional space after church for us to get to know one another around a simple meal and have meaningful conversations. There will be a pizza party for kids available to all families.

The LAB - Monday, March 4th - 6:30PM at Speakeasy Coffee - The LAB is a monthly gathering of people who want to grow as disciples of Jesus. Each month, we will gather, share stories, learn about following Jesus, and leave with something practical to do. Open to everyone! For more information, email Drew: causeyd@ohohio.com

SPRING GROUPS 2024 - We believe following Jesus is a team sport - that we were created to practice the way of Jesus together. That is why we have GROUPS. A group IS MADE UP of 10-25 people who practice the way of Jesus together for the good of a particular neighborhood or network. We encourage everyone to be a part of a group and learn the way of Jesus in community, just like his disciples always have.
