

NORTHLAKE
CHRISTIAN CHURCH

Molly Sligh

Molly grew up at Northlake, starting when her parents brought her family in 1996. She met her husband Auston, in 2005, when they were both serving in the youth group, and then got married in 2008. They have three ravenous and growing boys- Moses, Shepherd, and Isaac- whom she adores.

Molly has been leading worship at Northlake since she was in college and later joined the staff as worship leader in 2016. She is passionate about seeing the body of Christ grow as worshipers of Jesus in every aspect of life and has grown to grasp congregational singing as prayer, worship, and mission.

Outside of Northlake, Molly loves to spend time on the front porch with Jesus and coffee, thrifting, going for date nights with Auston to all you can eat sushi, doing nighttime family read alouds, singing in the kitchen while making family meals, and doing projects around the house and garden with all her boys.
