

**NORTHLAKE**  
CHRISTIAN CHURCH

## **Auston & Molly Sligh**

Molly and Auston both grew up at Northlake, attending since they were children. They met in 2005 while serving together on the youth staff and were married in 2008. They now have three energetic and growing boys—Moses, Shepherd, and Isaac—who keep them constantly on their toes and fill their home with joy (and noise).

Molly has been leading worship at Northlake since her college years and officially joined the staff as Worship Leader in 2016. She is passionate about helping the church grow as worshipers of Jesus in all areas of life. Over the years, she has come to see congregational singing as a form of prayer, worship, and mission.

Auston shares Molly's heart for the church and has served in various leadership roles over the years—including youth staff, helping launch Bridge, Northlake's young adult ministry, and now serving as an Elder. He loves spending time with his family outdoors—especially fishing with the boys—and is known for coming up with creative recipes and diving into DIY projects around the house. When he's not coaching flag football or tinkering in the garage, he's raising quail in the backyard.

Outside of Northlake, the family enjoys read-alouds with cups of tea, front porch chat times, piling up on the couch for movie nights or around the table for game nights, thrifting adventures, and date nights (especially when they involve all-you-can-eat sushi). Whether it's singing in the kitchen, working in the yard, or building something new, Molly and Auston are grateful to share life together—rooted in Jesus, family, and the Northlake community.
