

NORTHLAKE
CHRISTIAN CHURCH

Karen Brandt

Karen started attending Northlake in 2004 and became a member in 2017. An accountant by trade and huge spreadsheet enthusiast, she has volunteered on the ALT since 2017.

Typically, Karen can be found serving with any of the kids programs at Northlake. Her favorite is Vacation Bible School where she gets to make slime, show kids what happens when you mix dish soap and whole milk with a little food coloring as well as occasionally make something explode. Coming from a big family and not having any kids of her own, God knew just where to place her...to encourage kids and teach them that being part of God's family is totally awesome no matter what your age!
