Pastor Steve Speer

Steve has been on staff since 1999. He served as the Youth Pastor, Executive Pastor and has been the Lead Pastor since 2011.

Steve is an avid sports fan often attending games or hosting games on TV. He enthusiastically travels with his wife Carla and their adult kids, eagerly eats delicious smoked meats from his smoker, is fanatical about clean vehicles, fervently works out in his garage gym, eagerly looks forward to riding his motorcycle and dutifully does yard-work. What Steve enjoys most of all is a quiet night at home being smothered by 2 large dogs while chilling with Carla.
