When Kids Pray, God Listens

For the past few months, our prayer team has been called to pray for our children not only at New Wine but for the surrounding areas, in our schools, and across the world. We are praying that they might know and experience God in a real and tangible way. That they are shown His love and grace. It isn't only the adults at New Wine who are praying for children but also children praying for their peers. The scripture says to have faith like a child, and Keane (10) did just that.

He has been praying for a classmate who has struggled with behavior problems for years. The classmate has had to be evacuated from the classroom for dangerous behaviors in previous years. The behavior was not only impacting the child but also the learning of the other children and the staff who were trying to help. Keane continued to pray knowing that our God is a God of answered prayers. This year the student is doing so much better. He has been able to participate in school activities and remain in class. The other students have been able to refocus on learning and the staff has regained confidence and peace in their school. Praise God!

NEW HERE?

We'd love to get to know you! We don't have a traditional new-member class like some churches, but we are happy to meet up, hear your story and share information about New Wine Church! Fill out the "Contact Us" form at the bottom of the home page nwckc.com to get connected.

MINISTRY SPOTLIGHT

Our Sunday morning service wouldn't be made without our amazing worship team who wakes up before the sun to make sure they are set up and ready to go before 9 a.m. service and stay late to make sure everything is taken down and stored away until the next week. Doug Scheider, a drummer, says "New Wine worship allows those of us on stage to express ourselves musically and showcase the talents God gave us. I love the way the audience responds when you can really feel a song start to groove. Whether I am on stage behind the drums or with my family in the audience you can always feel when something amazing is happening."

A MOVE UPDATE

We know God does everything in His perfect timing and no goal is too big for Him. According to the experts, we should be at 31% of our 3-year goal. But God being God has provided for New Wine and we are already at 35%! Last month we got to show some preliminary drawings of our potential floor plan and we are waiting anxiously for more to be able to share with you all.

We continue to work with the architects and builders to create a space that not only meets our current needs, but also allows for growth as New Wine Church grows. Your generous donations, along with God's provision, are answered prayers. If you would like to learn more about our MOVE initiative, visit www.nwckc.com/move.

REFLECTION ON SCRIPTURE

“We will not hide them from their children but tell to the coming generation the glorious deeds of the Lord, and his might, and the wonders that he has done”

Psalm 78:4

A testimony testifies to who God is. It isn't to give us a good story or make us feel better but instead, it is made to paint a picture for us of God's actual heart and His love. This allows us to see that we have access to the love and nature of God today. From generation to generation we listen to wisdom being passed down so that the future generations will put their hope in God. How does your story show the character of God?

A NOTE FROM THE DIRECTOR

Hi New Wine Kids Families!

Happy New Year! I hope everyone enjoyed a little downtime with your families over the holidays. I know I enjoyed not waking up early with my middle and high schoolers for a couple of weeks. I'm praying that you all feel refreshed and have a great start to 2024!

As a reminder, we have an interactive virtual classroom for kids ages 3 through 5th Grade on our website (nwckc.com/kids) where you can find additional resources to reinforce what your child is learning in their classroom at church. The experience is best on a computer or tablet. Be sure to check it out!
