As believers, we also have access to spiritual gifts. As we all use these gifts to serve others, we can help others in the Church grow. This helps unify the Church and keep it healthy, growing and full of love.

There is a spiritual battle going on around us. Satan is over the realm of darkness and God is the light. When we believe and trust in Jesus, we have His light in us. As we walk in the light, we are able to share His light, love and life with others. When Satan tempts us and tells us lies, we can overcome them with the light of Jesus. To continue to live in the light, we cannot keep sin hidden. We must bring everything to the light!

We learned in Ephesians 5 that there is a spiritual battle going on around us. Satan is trying his best to keep us away from God by tempting us to go against God's best plan for us. In Ephesians 6, Paul describes several pieces of armor to help us fight this battle. When you are tempted to believe the lies from the enemy, remember to put on God's armor and stand on His truth.
