

## A NOTE FROM THE DIRECTOR

### Hi, New Wine Kids Families!

It's September, and school is back in session. Hopefully your kids are adjusting well, and you are enjoying being back in a normal routine. I love the routine, but I am not enjoying the early morning wake-ups. I'm also in denial that my oldest is a senior this year, so pray for me! Thinking about sending him out into the real world next year makes me realize how important it is for our kids to have a strong faith foundation and a close relationship to God. This is why our mission for Kids Ministry at New Wine is to come alongside parents to help your kids know God, make Him known and see His Kingdom come on earth as it is in heaven.

*Just to remind you, our website ([nwckc.com/kids](http://nwckc.com/kids)) has an interactive virtual classroom for kids ages 3 through 5th Grade. Here, you can find additional resources to reinforce what your child is learning in their church classroom. The experience is best on a computer or tablet. Be sure to check it out!*
