ACKNOWLEDGEMENTS This reading guide is adapted from Replicate Ministries. Replicate Ministries exists to equip local churches to make disciples who make disciples. We do this through sound Biblical methods for training and replicating disciples. These methods have proven to be effective when implemented in the local church. In the last decade, these intentional disciple-making strategies have shown to develop mature followers in our context. It is the team's desire to share our passion for replicating disciples with other church leaders. For more information about Replicate Ministries visit [replicate.org](http://replicate.org).
