CLEAN IT UP

directions

Say: All I wanna do is play, play, play! So I'm gonna make a big mess!

1. **Dump out** one of your room's toy bins. **Choose the bin with the most pieces in it.**

Say: Whoa. That is a big mess. It sure looks fun to play in ... but that's not what I'm supposed to do be doing right now, is it?

2. **Point** to picture schedule on the wall to show kids that Play Time is over, the kids already cleaned up, and now it's time for Prop Talk.

3. Kids **answer**.

Say: Friends, you're right. I need to clean up. I need to do the small stuff to get ready for the big stuff we'll learn on our Bible Adventure! Anyone want to help me clean up?

4. **Clean up** the rest of the toys with any kids who want to help. As you do, **ask** kids questions to keep them focused, like:

- *Do I really have to clean up right now?*
- *What do you think would happen if I just left all these toys out while we watched the Bible Adventure?*
- *Do you really think I can clean up this whole mess all by myself?*
- *Is it the right choice to clean up a mess we made?*

Say: Phew, now we finished that little stuff! Let's go on a Bible Adventure and learn big stuff!

5. **Say** "Say With Me" listed on the front.
6. For age 4, **ask** "Questions" listed on the front.
