GOOD NEWS CLUB

The fall session of the GNC began on September 29th and October 2nd. We are in two local elementary schools and currently have 94 children enrolled. We are thankful that God gives us the opportunity to witness to these children through songs, Bible stories, and Bible verses. A Child Evangelism Fellowship (CEF) rule is that, after the Bible story, an invitation is given so that a child may have an opportunity to receive Christ as Savior and/or learn more about Him. We know that it is our responsibility to share the Good News with these children and that God will open their hearts and draw them to Himself. We are thankful that we can be messengers in these schools for God. Please partner with this team of servants by praying that the children will be attentive as the Gospel is clearly shared. That the Holy Spirit will work in every heart to draw each person to Himself. Pray for all servants and their families to be healthy and safe. Pray for all school staff and all students for safety and good health. If you are interested in learning more about this opportunity, please contact Margie Dennis at (803) 309-4173.

Galatians 6:9 "So don't get tired of doing what is good. Don't get discouraged and give up, for we will reap a harvest of blessing at the appropriate time."
