The plan is designed this way so that you can slow down and consider what you are reading.

Here are a few things to consider as you read:

- Reading the Bible is a spiritual activity, so accompany your reading with time in prayer. The psalmist prayed, “Open my eyes, that I may behold wondrous things out of your law” (Psalm 119:18). Let this be our prayer as we read God’s Word.
- Reading the Bible is a mental activity, so let’s engage our minds as we read. Don’t be a passive reader who quickly passes over the words. Instead, be an active reader who pays attention to details and asks questions about the text.
- Strive to make a daily habit of reading God’s Word. Don’t treat time in the Bible as an optional activity that you only do when it is convenient. Make a plan, stick to the plan, and build a strong habit.
- At the same time, don’t get discouraged when you struggle to read your Bible or when you fall behind. Just like the goal of reading the Bible isn’t to finish, the goal of this reading plan isn’t to “finish.” The goal of the plan is to encourage you to spend time with God in His Word. If you miss a week (or a month!), feel free to pick up wherever we are in the plan and God will meet you right where you are!
- Lastly, talk with others about what you have been reading. One goal of a common reading plan is the fact that we are hearing from God together, so let’s share with each other, and those outside of our church, about what God has shared with us.

Thanks for joining us on this journey! We are excited about what God will do in your life through His Word in 2026! - Pastor Ben
