

WEEK 2: LIVING ON MISSION HERE

DIGGING DEEPER:

Read 1 Corinthians 12:12-27 aloud.

- What are the practical benefits when the whole church body functions together?
- What are the challenges when people stand on the sidelines instead of engaging in service?
- 1 John 4:21 says, *“The person who loves God must also love other believers”*. 1 Peter 2:17 says, *“Love your spiritual family.”* How do we live these out in real ways?
- Where do you currently serve in ministry and what do you love about it?
- What are some of the challenges you face in serving? How have you overcome them?
- What encouragement would you have for a believer who is not currently committed to serving within the church family?
- Is there an area of ministry you’re interested in exploring? What might it be?
