

SHARING YOUR TESTIMONY

Describe your encounter with Jesus in detail: (location, what was going on, what you heard, felt, saw. What you believed and knew...)

Can you share about how God took a messy situation and turned it into something beautiful? (How did God demonstrate His creativity and artistry?)

Can you share a story about how you witnessed radical change in someone's life after they met Christ? (Perhaps a close family member, friend, or co-worker?)

What was life like before you met Jesus? (I once was...)

What has life been like since following Jesus? (But now, I...)

What has Jesus done for you?

Where would you be without His mercy?
