What God Has In Store for HP in 2024

SUNDAY, JANUARY 21

Dive into the deep waters of Isaiah, "The Jesus Prophet"

The HP Family is one that believes strongly in the power of prayer. Our leaders pray fervently about decisions made for this Body of believers. We thought you might like to see what they are praying for as we begin a new year. Please join them in praying for God's work to be carried out here...and for determining your part in it!

"My deepest prayer for HP in 2024 is that we would see growth in discipleship to glorify God." - ***Conor Carlton***, HP Elder

"My daily prayer is for the spiritual and physical health of each HP member and their families. I also pray that God will abundantly bless HP and use our church family mightily in His kingdom work." - ***Gary Chapman***, HP Elder

2:20 CENTER NEWS

In November, *Carole, David*, and *Jennifer* were able to attend the *True Charities Foundation* workshop that was held in Claremore, OK. In December, the 2:20 leaders are excited to announce that our HP food pantry has joined the True Charity network that serves to connect other agencies to one another all over the U.S.

This will serve as an opportunity for education and networking with other like agencies, with the ultimate purpose of not only providing food. We also want to increase growth in other areas by connecting people to God, family, friendship and work as their source of help.

CONGRATULATIONS, 2:20 TEAM!!

THANK YOU!

We would like to express our sincere gratitude for all the love, support and care you bestowed upon our parents, *Bud* and *Pam Riggs*, and our families in the last couple of years. The visits, calls, cards, flowers, meals and Braum's ice cream with which you showered upon our dad in his last 20 months without our mom was so very dear to him. They so loved the people at Highland Park, and we are so grateful for the way you loved them.

TO OUR HP HERALD!

WE HOPE YOU ENJOY THEIR ANTICS!

HP YOUTH

We had such a fun time at our Christmas party! We played games, ate Chick-Fil-A, and got to listen to *Tyler Blanton's* testimony. We are so thankful for how the Lord is working in his life and the lives of our students. On behalf of our students and sponsors, we hope you had a Merry Christmas and Happy New Year!

We are so excited to launch our new lesson series: *"How to Study the Bible!" Halee Wood* led an adult class on this not so long ago and we've been discussing how to implement it with our students. We will be using the "Step by Step Bible Study" (SBS) method. This will stretch our students: they will learn about different translations, how to look up the original Greek and Hebrew words, and so many other things, but ultimately, we believe our students are capable and that the Holy Spirit will be doing a work in them.
