OFFICIAL NEWSLETTER OF ALEXIS BAPTIST CHURCH

HAPPY FATHER'S DAY

Dear Church,

There is nothing like seeing the children singing and sharing Bible verses! Last Sunday Mrs. Robbie and the Preschool and Kindergarten teachers had a wonderful program to celebrate graduation! Around 350 people were here for the big occasion. And hearts were full and tears came to the eyes of many of us.

Thanks for all the work done by so many to make it a joyous and terrific day in the life of Alexis Baptist Church.

Also, coming up is the "Faith & Freedom" Celebration on May 25th. If you get this in time, I hope you can be here!

And then June 2-6th Vacation Bible School will go from Monday through Friday from 6pm to 8:30pm. If you can help in any way, please let Nathan know. I'm sure he would appreciate it.

In the meantime, invite parents with children and pray much for the spiritual condition of the children. The greatest thing would be to see these little ones be saved and brought in to God's forever family!

God Bless, Pastor Steve

Neighborhood Missions Team Report

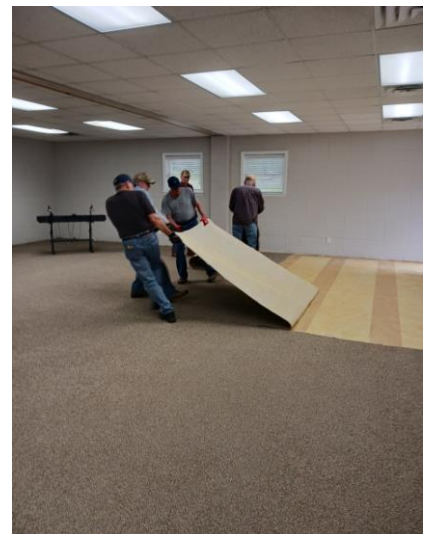

“Whatever you have done unto the least of these you have done unto Me”

Our mission work is made possible by your donations, your prayers and the love of Jesus!!

When problems come, they seem to come in numbers. So it was with Dawn McClure Boone in February within a few days after the death of her husband Freddie "Corky" Boone. The entire ceiling of her bedroom at her home in Gastonia collapsed onto the floor. She contacted our church team and we told her to focus on her husband's funeral and we would take care of her bedroom problems. After a week of cleanup and repair, we replaced her insulation, sheetrock, wood trim, and ceiling fan. Also we replaced some needed electrical wiring under the house. We are so thankful that we have a group of men in our church whose abilities are gratefully offered to assist our church members as well as our neighbors.

In early May the Gaston Baptist Association contacted our neighborhood missions team needing the existing glued down carpet in their large training and conference room ripped up and discarded, so new carpet could be installed. Expecting a difficult task, the men cut the carpet into 10 x 10 foot sections, pulled the carpet up, and carried it out to a trash trailer in less than an hour. The carpet was then transported to the land fill.
