**WELCOME** to Perseverance Christian Church on this second Sunday in July, 2025! We provide a nursery for children ages four and younger; the nursery and restrooms are located on the hallway behind the sanctuary's left and right doors. There is also a chair lift for anyone in need, and it may be accessed to the left door of the men's restroom. We are live streaming our Worship Service to reach those not able to attend in person. The recording of our service will be on our website, [www.perseveranceccc.org](http://www.perseveranceccc.org) or on our mobile app. Come back and worship with us again!
