Welcome to Perseverance Christian Church on this FIFTH Sunday in NOVEMBER! This is the FIRST Sunday of Advent, the Sunday of HOPE. We're so glad you've joined us today. A nursery is available for children ages four and under, located on the back hallway which can be accessed through either set of doors to the left or right of the sanctuary. Restrooms are also located on the back hallway. For those who need assistance, a chairlift is available and can be accessed through the door to the left of the men's restroom. Our worship service is being live-streamed to reach those unable to attend in person. Recordings are available on our website (perseverancecc.org), our mobile app, Facebook, and YouTube. We hope you'll join us again for worship soon!
