THOUGHTS ON THE JOURNEY

As we come together today, we want to welcome our representatives from Dwight Whitworth and Company. With us today are Chris Keathly and Matt Whitworth. These two men have been working with us all weekend as we continue our search for a worship pastor. They are assessing who we are, what we are about, and what our needs are. They will take the information that they have gleaned, and with much prayer and concern, help us find the man God has for us as it relates to our worship ministry.

If you have not already been praying, I want to invite you to pray with me that God would lead us to the individual He has already selected. Specifically, here is what I am praying for: First, I pray that our worship pastor would be a man who is deeply in love with the Lord. Second, I pray that he would be a man who is in the word. It is God’s word that directs us as to how we are to live lives of worship. Third, I pray he has a pastor’s heart. That is, I pray that he loves people and recognizes that his ministry extends beyond those who are involved in the music ministry. Finally, I pray that he is a strong worship leader and musically gifted. Worship is a vital part of our relationship with the Lord. I pray that this will be a man who can lead us into the presence of the Lord each Sunday.

Even though we have no idea who our next worship pastor will be, we should be praying already. Leading worship in any church is no small task. He will have to provide leadership as we go forward. He will have to deal with a number of preferences and opinions as to what worship should look like. And, he will have to find a way to bring all of our differences together, all the while honoring our God and the call He has placed on his life. Want to apply?

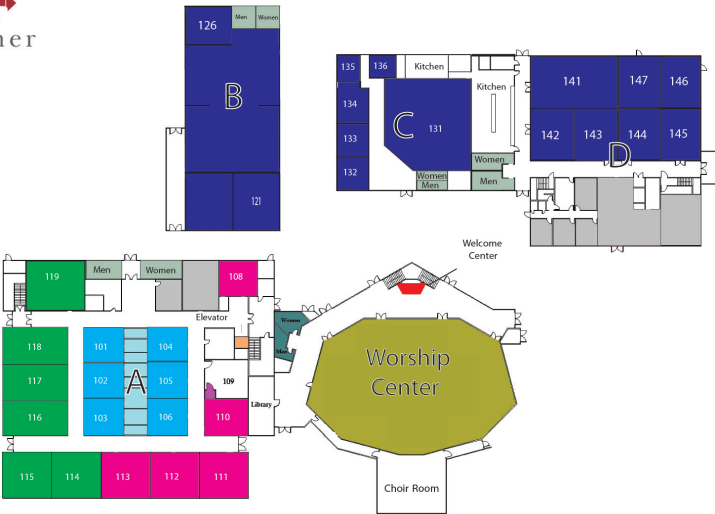

I truly believe that our greatest days are ahead. However, we will only discover these days if we are fully submitted to the Lord and seeking His will. What an exciting journey we have been invited to be a part of.

Honored to be your pastor,

DARRELL
