

BRIAN JONES
Worship Pastor

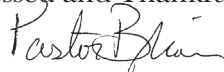

Allow me to take this opportunity, on behalf of Joyce, Kayleigh, and myself, to express to you, our beloved church family, how grateful, thankful, and blessed we truly are by you! Your ongoing outpouring of love and generosity to us after the fire has been overwhelming; and is a true testimony to the love of Christ that is in your heart. Because of God's boundless love and grace working through you we have not lacked or been in want for anything!

I would like to say a special word of thanks to all of my fellow staff members; who on the day of the fire were right there by my side, standing with me, praying with and for me, making sure that my family was taken care of, and being an encouraging testimony of love and brotherhood! There are so many to thank, and I cannot list all by name, because I am sure to forget someone; so let me just say THANK YOU; to all who have given money and gift cards, offered your laundry services, offered your homes, given us meals, offered your time and talents to help and provide for whatever we needed! THANK YOU!!

As an update, we are out of the hotel and are in a rental home. We have our pets back with us, who thankfully survived the fire, and were well taken care of by Scott and Amy Wakefield while we were in the hotel. Most of the initial hurdles with insurance have been completed, and we have secured a company to come in and clean, salvage and store our personal belongings. We are finalizing securing a general contractor. Once that is done, the long, slow process of restoring and rebuilding our home will begin in earnest. We have a long way to go, but we know it is in God's hands and his timing, and so we trust and we wait.

Once again, THANK YOU to all our church family for all that you have done and continue to do. You love us GREATLY and we are GREATLY BLESSED! Please continue to pray for us that we will be the example and witness that God wants us to be to those we come into contact with through this process; and that as things move forward that it will go smoothly and according to God's time table and that His will will be done.

Blessed and Thankful,

AT A GLANCE
