# THOUGHTS ON THE JOURNEY

We are honored today, to host the return service for the Women’s Grace Retreat. These ladies have spent the weekend together in Palacios, but more importantly, they have spent the weekend with the Lord. Over the course of the weekend there have been many exciting things take place. We have truly had a special time with the Lord.

“

We are honored today, to host the return service for the Women’s Grace Retreat.

”

Our service will look different today, but we will worship our Lord all the same. I want to ask you to be praying for several things. First, pray that God will move powerfully today as we gather for worship. Pray that He will move in our lives in a very special way.

Second, pray for the ladies that are returning from this retreat. Over the weekend, God has done some powerful things. But now, we return to normal life. You and I both know that Satan loves to attack and will try to divert what God is doing. Pray that these ladies will not forget what God has done and the commitments they have made.

Third, pray for the families represented in this place. For many, the mom, wife, daughter, that went to the retreat, is not the same lady that is returning. She has been changed and that will affect family dynamics. Pray that God will use this for His glory. Pray that families will be impacted, not just individuals.

I trust that today will be significant. Try to relax and accept the flow of things as they are. I know we do not like change, and today involves a lot of it. However, sometimes when we are out of sync with the normal, it is then that God can move. I am trusting and praying that today will be a great time in the Lord.

Honored to be your pastor,

DARRELL

What does grace mean to you? How has the grace of God worked in your life? In what ways do you still need to allow grace to have its work in your life?
