THOUGHTS ON THE JOURNEY

I want you to imagine, if you will, that you live just before the time that Christ is born. The last word anyone has heard from God came via the prophet Malachi.

“ *A God that is in perfect control is never panicked, never in a hurry, and is never left scrambling.* ”

Four hundred years have passed. That is 153 years longer than the United States of America has been in existence. You know that God promised a Messiah would one day come, but when? You know that God is moving and working, but how? And then...

After 400 years of complete silence, a fresh word from the Lord. The priest, Zechariah receives a message from God that indicates that He is about to start moving and speaking once again. Zechariah is told that he will have a son. That son will begin to make ready a path for the Messiah to come. That son is no other than John the Baptist.

From the time God sends an angel to speak to Zachariah until these things begin to unfold is pretty rapid. Elizabeth conceives and gives birth to this promised child. Soon we will see Mary conceive and give birth to Jesus. After 400 years of nothing, we are up to full speed in short order.

As we consider this story, let us be amazed by the sovereignty and power of God. Let us never forget that He moves according to His own plan and is not shaken by what goes on around us. A God that is in perfect control is never panicked, never in a hurry, and is never left scrambling. His will is perfect, and His power is unmatched.

These things are not only true as they relate to salvation history. They are also true as it relates to our lives. We can rest in His perfect peace. We need not panic; we need not fear. We must simply trust Him. After all, when Christ was born, the Prince of Peace was made flesh and dwelt among us.

Honored to be your pastor,

DARRELL
