Preschool Class Descriptions

In all of our classes, we focus on development of Social-Emotional Skills, Fine Motor Skills, Handedness (left or right), Writing Readiness, Crayon/Pencil Grip, and a love of Jesus and who God created us to be. We strike a balance between free play, table time, play-based learning, and independent exploration. Our teachers are well-equipped to challenge students and encourage them to learn new skills and ideas every day.

The school is open to all children regardless of race, creed, color or national origin. However, the school is not equipped to handle children with excessive emotional, visual, speech, hearing or other severe handicaps. Children with particular needs can be assessed to determine that: 1) The child will benefit from our program. 2) The staff is able to meet the individual needs of the child. 3) There will be no adverse effect on the other children through direct behavior. 4) The child does not require extra staff assistance. (Taking time away from other students.)

Students must be completely potty trained. This means that your child can take care of all aspects of toileting without using a pull-up. This includes recognizing the urge to go, undressing, dressing, cleaning, and hand washing.
