Adults are invited to class led by Pastor Gregory. This fall his class is an extension of his sermon series:

REDISCOVERING CHURCH

Over the past century, the church and Christianity has quietly gone through some of its largest changes in the past 1,800 years. In this class we trace the history of the church through four major stages by looking at art, music, architecture, in order to understand how what the church believes and how it fits in society have dramatically shifted.

In our time, it is our responsibility to ask the big question, "What did Jesus want his church to be?" We'll look at what great potential lies ahead when we start with Jesus' gospel and what lies ahead!

Our Mission: Love Jesus, Love Our City
Together In Community
