

Meditation Series

MY DAILY MEDITATION CONFESSION!

The word of God is revealed by the Holy Spirit into the heart of men. It is written with a preceding word that is to be revealed unto the heart of those who seek the heart of the Father!

There is nothing impossible unto me, for my father has made all things possible for me.

I am a finisher. I complete the task given to me because my father finished everything He promised.

I am a completer of the task my father has given me. The reason I'm sent to planet earth is because my father sent me to manifest what he finished.

God alone is my total source there is no one else. He is my healer, provider, sustainer, Savior, and Lord, everything comes from him.

I am at peace because my father is peace, and I am full of joy because my father is my joy.

I am healthy because my father is my healer.

I am wealthy because my father is my provider.

I identify with the Word, will, and purpose of my father. I am who he says I am. I have what he says I have. I can do all things that he says I can do. I am my father and my father is me.

I am rich with unlimited supplies. Money, wisdom, knowledge, and understanding is always in the abundance.

I am focus centered, aligned with my father's heart. I make decisions based on truth and not emotions nor excuses. Each day greater opportunities are attracted to my identity and alignment with God who is my source.

Success and favor love being around me because their purpose is fulfilled in serving my Father's heart.

Today I rise and stand unshaken, unmovable, and unstoppable.

Goodness and mercy surround my life, and angels have come to assist me.

Things come to me easily, hard times are over, and everything is working for my good. I only see, think, and confess good things for me and those connected to me.

I have lived long enough in the shadows of my true self, and I've settled for inward conversations within about saying "someday", my time is now!

I will Arise and shine; for my light has come, and the glory of the Lord is risen upon me.

Meditation Series

The day of being unstoppable, unlimited, and unmeasurable has come to me, I will take up my mantle and step into my NOW moment.

Today the doors of the supernatural invasion of the Holy Spirit for my advancement are open. I drop the rocks of waiting for a perfect day, the right time, and saying I need more money.

I have come into the presence of God's Grace, Glory and All Possibilities! I will Arise and let my light shine so all can see God Is Good to Me. SHOUT Hallelujah!
