ME

Fall Global 2025

LETTER FROM PASTOR KEVIN

I am so excited about Fall Global this year and particularly the theme of “Follow Me” based upon the words of Jesus found in Matthew 4:19, “And he said to them, ‘Follow me, and I will make you fishers of men.’” Our desire at Westover Church is to carry out the instructions found in this verse with glad and sincere hearts. Our discipleship pathway at Westover is found in Matthew 16:24, “Then Jesus told his disciples, ‘If anyone would come after me, let him deny himself and take up his cross and follow me.’” Fall Global is a time in our church life where we celebrate all God is doing around the world with our global partners, but we also focus on what God is calling everyone to do as well. You will have hands-on opportunities to support Gospel projects around the world through our International Market, as well as meeting and hearing from some of our new candidates who are answering the call to give their life on mission.

So, what is God calling you to do? It could be joining in prayer for one of our global partners. It could be participating in our Faith Promise offering and committing to give above and beyond your treasures for the furtherance of the Gospel. Maybe God is calling you to give your life to the call of missions. I pray you have an open hand and an open heart as we sit under the preaching of the Word of God, supporting and hearing from global partners from around the world, or taking a moment to hear a prayer request from someone and lifting it up to the Father. Whatever God is calling you to do He is calling you to Follow Him!

I am so grateful to pastor a church with such a heart for the call of missions and carrying out the Great Commission. I pray God continues to shape our culture with the call to “Follow” until He returns!

In Christ,
Pastor Kevin

LETTER FROM PASTOR ELLIOT

Greetings in the name of our Lord Jesus Christ! We are thrilled to present this year's Fall Global Celebration and an invitation to continue partnering with God and His heart for the nations. This year's theme "Follow Me," based on Matthew 4:19, is a reminder that we are called to follow Jesus and he will make us "fishers of men."

Inside this brochure, you'll find opportunities to connect globally, give faithfully, and go courageously. As part of our growing vision for the Celebration, we are excited to invite you to explore the International Market on November 2, where you will have a unique opportunity to experience missions through the global church and support our partners' projects around the world.

We also invite you to prayerfully consider how you can faithfully support global missions through Faith Promise giving. This is an exciting way to see God work as we commit to give above and beyond our treasures for the advancement of the Gospel. Every gift, given in faith, extends the reach of the Gospel to places we may never go ourselves—but where God actively works.

For those who feel called or are considering to step out in faith, in 2026 we will offer a variety of short-term missions trips throughout the year. Whether across state borders or across the ocean, these experiences are life-changing—for both those who go and those who receive.

Finally, we want to say thank you. Your prayers, generosity, and ongoing encouragement have sustained and propelled our mission efforts forward. Thanks to your faithful support, lives are being transformed locally and globally, and above all, the Gospel continues to advance.

Let us continue to go, give, and grow—together—for the glory of God among all nations.

With gratitude and hope,
Pastor Elliot

FAITH PROMISE GIVING

Faith Promise, simply defined, is a commitment that I make to the Lord (that's the "promise" part) to give to the Lord something that I've yet to see Him provide (that's the "faith" part).

To explain: the principle of Faith Promise giving is outlined in God's Word where we read the example of the Macedonian churches that gave "as much as they were able and even beyond their ability" (2 Corinthians 8:1-9). Applying that principle to my giving, I would give as much as I am able to Westover's work around the world.

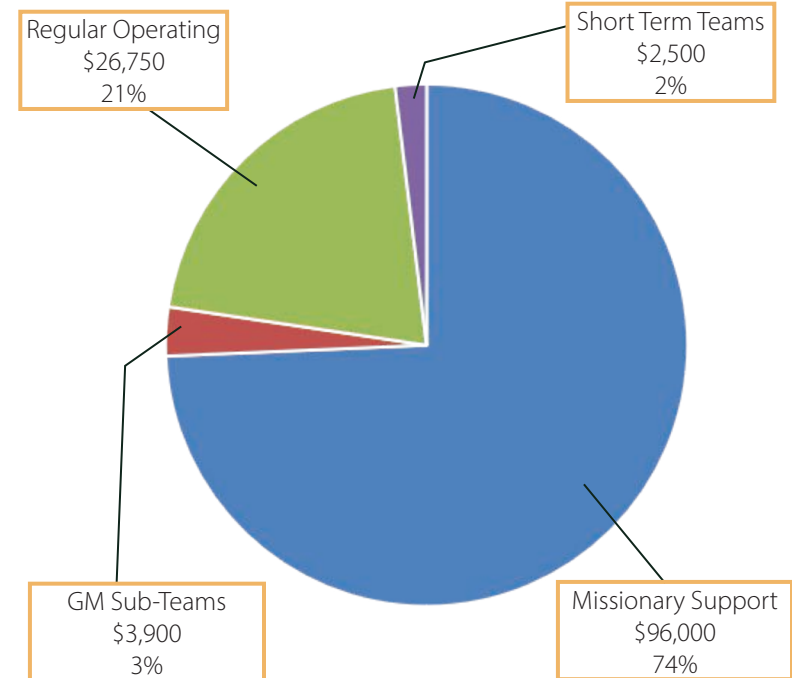

But, applying that verse further, I should also look to God in faith trusting He will provide unexpectedly "beyond my ability" to know in advance. The Faith Promise that I make says that, when He does provide, I will take that as His blessing and look to give back to Him in whole or part of what He has given.

**Begin praying now, asking God
how much He wants to give to Global
Ministries through you.**

Faith Promise cards (included in this brochure) will be collected at the end of each service on Sunday, November 9. Or fill out an online Faith Promise Card by scanning this QR code.

ABOUT FALL GLOBAL 2025

We're so excited that you're joining us for Fall Global! This year, we're able to feature our global partners in a unique and engaging way: the International Market.

The International Market is a hands-on experience for YOU to explore the various ministries and the work that our global partners are doing around the globe. It's an opportunity to join in, along with your entire family, to help minister to the lost around the world. There's even a scavenger hunt for the kids to explore the Market!

Not only that, we'll be having Underground Church for our Impact and Fuse students to learn about the persecuted church, and they'll hear from our speaker, Tom Lin, President of InterVarsity.

For our young adults, we have a personal time to hear from Tom at Charcuterie & a Chat with Tom Lin. They'll hear more stories from his heart for the nations and missions.

On Sunday, November 9, Tom Lin will be speaking during both services, and we'll be turning in Faith Promise cards, which is a way for us, the people of Westover, **to go to the ends of the earth** through our finances.

We hope this time will be a great blessing to you, as well as igniting a continued passion for global missions.

MEET THE GM STAFF

Stefanie Greeson, Kim Zinke, Pastor Elliot Ramos, Lori Lewey, Pam Burris, Michelle Moore

The GM Staff have been working hard with many, many wonderful, awesome volunteers to pull off this year's FGC (we can't do this without them). We are grateful for all the support, time, and creativity (along with blood, sweat, tears, and some gnashing of teeth) to create an engaging Fall Global and International Market.

So, who is this band of misfits?

Pastor Elliot (Pastor of Global Care) bravely leads the charge of a fiery team of women, who are all passionate about missions and our global partners.

Lori (Director of Global Support) expertly keeps track of all the numbers, because we all know the rest of us would weep if we had to do that job.

Pam (Global Ministries Associate) whips us all into shape and carries us along on the adventures of her creative event-planning mind for trips and beyond.

Michelle (Senior Ministry Associate) is our official Dolly Parton-loving ping pong ball, as she fantastically supports both Global and Local missions.

Stefanie (Global Comms Associate) likes to make things look pretty and is passionate about strategic communication, which she somewhat excels at.

Kim (Global Admin Associate) is our newest and shiniest addition, and she has become the glue that holds us together and gets all the odd jobs.

Tom Lin

Guest Speaker

Tom Lin became InterVarsity's eighth president in 2016. He served as an InterVarsity campus minister at Harvard University and Boston University before helping to establish an International Fellowship of Evangelical Students movement in Mongolia, where he served as the Country Director. He then became Regional Director of InterVarsity's Central Region and served as Vice President of Missions and Director of the Urbana Student Missions Conference.

He has also served as a trustee on the boards of Wycliffe Bible Translators, Missio Nexus, and the Leadership & Legacy Foundation. He currently serves on the boards of Fuller Theological Seminary, The Crowell Trust, and the Lausanne Movement.

Tom is the author of *Pursuing God's Call* (2012) and *Losing Face & Finding Grace* (1996), a coeditor of the Urbana Onward book series (2012), and a contributor to *Still Evangelical?* (2018)—all published by InterVarsity Press. He is also a contributor to *Uncommon Ground* (2020), published by Thomas Nelson.

Tom and his wife, Nancy, have two daughters. He has a B.A. in economics from Harvard University and holds an M.A. in global leadership from Fuller Theological Seminary, and an honorary doctorate in public service from Taylor University.

Tom will be speaking at Westover Church on Sunday, November 9 during both services.

EVENTS

What to Expect

Join us in the gym and theater on Sunday, November 2 from 9a-12:30p to discover more about our global partners and their work. Various projects and items will be featured, along with some live animals - fun for the whole family!

During our International Market on Sunday, November 2, we'll have a scavenger hunt for the kids. Hunt through the booths for the items, get checked off, and turn in your sheet for a prize! This will help kids to engage with the market and shop for the projects they'd like to support.

Our guest speaker, Tom Lin, will be chatting with our young adults over some charcuterie. Join us in the Westover Cafe at 4:30p on Saturday, November 8.

This one is for our Impact and Fuse students: Underground Church! On Saturday, November 8 beginning at 4p, students will be starting in the gym and running throughout the church, learning about the persecuted church throughout the world. Tom Lin will also be speaking to our students at the end of the evening.

CANDIDATES

Every year Westover receives numerous applications from people who would like to join our global partner family. Below are this year's candidates. SHORT TERM TRIPS 2026

Why do we go?

As Westover's vision states, we **gather** to be equipped so that we can **scatter** to fulfill the Great Commission. This is a great way to embark on the journey of being a part of the Great Commission in a short timeframe. With every trip, people's lives have been transformed by the ongoing work of the Gospel. And the amazing part is that it's not just those we go to serve - our trip participants' lives are being radically impacted.

The Challenge for You

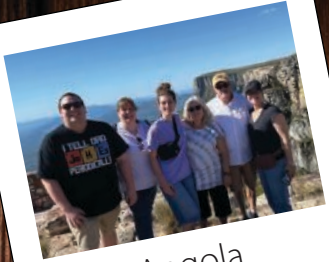

God calls all of us to participate in the Great Commission - including you! Going to a culture that is different than ours seems challenging. Raising the needed funds to go seems challenging. Taking the time off and coordinating your family's schedules so you can go seems challenging. We know that there are many challenges and sacrifices in going on a trip like this. But the experience and journey is worth it for the Great Commission!

Will you pray to consider joining us in 2026?

Our trips will be announced on Sunday, November 16. We hope to partner with you so that you can experience the wonder and transformation of a short term trip.

Psst... still have questions? Mark your calendar - we'll be having a Short Term Trip Q&A event on Sunday, January 25.

PRAYING GLOBALLY

Did you know?

Each week, we gather current prayer requests from our global partners, so that everyone at Westover can pray specifically for their most urgent needs.

All the requests are compiled into our weekly publication called the Global Intercessor.

We invite you to join with us in prayer for our global partners around the globe who are carrying out the greatest mission: spreading the Gospel to the ends of the earth.

Pick up your copy each week OR click on the link in the GM News email, and join us as we seek after God on behalf of our global partners.

GLOBAL ADVOCATE PROGRAM

Standing in the GAP

What does a Global Advocate do?

Advocates will connect with their global partner monthly, and will be a place for global partners to share their successes, their struggles, and how the Lord is at work.

Advocates are a resource of encouragement, prayer, and are a connection to Westover for questions and updates.

2026 WESTOVER GLOBAL VISION

Westover Church seeks to fulfill the Great Commission as we gather to be encouraged and equipped; and scattered as people sent to be witnesses of the transforming Gospel of Jesus Christ to our local neighborhoods and to the ends of the earth.

THE PERSIAN PEOPLE

- Westover seeks to create an awareness of the need and the harvest among the Persian people.
- We seek to provide financial resources for the training of leaders and pastors.
- We seek to provide financial support for the printing, publication, and distribution of Bibles and Christian resources to the Persian people in their own languages.
- Westover wants you to pray to the Lord of the harvest to send more workers - perhaps you!

STRATEGIC PARTNERSHIPS

- Westover seeks to develop strategic global partnerships and relationships with local churches and ministries in places where the Gospel of Christ needs to advance in order to establish credible witness of its transforming power.
- We seek to strengthen these local churches.
- We seek to help plant churches where there is no witness of the Gospel.
- We seek to provide help in developing the next generation of young church leaders.
- We seek to strengthen the work of the national Gospel worker (those who are working for the Gospel in their own country, language, and culture).

INTERNATIONAL MARKET

We are happy to welcome you to the International Market!

Westover's custom has been to put on this market every few years as a way of specifically connecting us to a wide variety of work being done by our global partners. The Market is designed to help you know the various ministries but also allows for an opportunity to give financial support to be used in a specific way. The goal is to help our missionaries reach the people that they are serving. Your gifts and prayers will have an immediate impact on changing lives and sharing the love of Jesus with children and adults all over the world.

We work hard to give the finishing touches which will add to the "feel" of a real international market. To prepare for this very busy day at church, we are asking you to pray and come prepared. Read through this brochure in advance so you know what to expect. The International Market will be open from 9:00a until 12:30p, and will be located in both the Gym and the Theater. Our suggestion is to plan on spending time at the booths where we will have volunteers to explain how what we do will directly impact the work on the field. We will also have a Scavenger Hunt, live animals, and a photo op with a rickshaw to add to the excitement and fun.

As you look through the following pages, please note:

- **One Market, Two Locations: Gym & Theater** We've divided the catalog by regions of the world and then by the families and individuals with whom Westover Church partners. The specific ways to support the ministry projects are listed with a suggested contribution amount. If you have any questions, please speak with one of the volunteers.
- You can find the order form in this brochure on page 28. There will be extra copies of the order form available on November 2. You can also contribute to projects on our online form, which is accessible by scanning the QR code below.
- In order to give children the opportunity to participate, our Westover Kids (K-5th) will receive a special order form. Please make sure that your kids also bring their order form and contribution on November 2.

We would like to express our deep appreciation to all who have participated in this year's Market. Our volunteers and staff have spent many additional hours to make this special day both informative and fun for you.

We also know that our global partners repeatedly express gratitude to our Westover family for the generous way that God has enabled us to support their ministries. To each of you who are led to give, we want to say on their behalf, "Thank you for giving to the Lord!"

LAST MARKET IMPACT (2022)

Here are two stories of how the International Market has affected one global partner's ministry in Brazil:

The solar system that was provided for one of our missionary families from the last Westover International Market, changed their lives and ministry! Since they have no electricity in their river village, their only source of energy was from a costly, noisy generator. With the solar system, they are able to run their freezer during the day, and illuminate their home and church at night.

Our soccer clubs are a ministry strategy to not only provide the young people with a wholesome activity, but provides our missionaries with an opportunity to share the Gospel with them and their families. Many of the clubs only had one ball to train with, until the Westover International Market provided them with several more which allows them to train much more effectively. Through this ministry, many people have come to know Christ.
