Project Serve is an opportunity for students to grow in their relationship with God, to form and strengthen bonds with peers, and to serve the mission of Jesus to all people. This year we will be serving in Mars Hill, North Carolina.

Each year we head to a different location to partner with various organizations and serve local communities. Each student is responsible for raising the funds needed for the trip and securing friends and family for support. **Please note that all funds for Project Serve are due by June 4th.**

This summer Westover Church High School Ministry is going on a mission trip to Mars Hill, North Carolina from June 21st through the 28th. We call this mission trip Project Serve, and each year we head to a different location to partner with various organizations and serve local communities. While I am in Mars Hill, I also hope to continue to grow in my relationship with God and to be able to see what He has done in my life.

Each student is responsible for raising the funds needed for the trip and securing friends and family for support. I have a goal to raise a minimum of \$700 before June 4th. The money raised

Specifically, pray that we would have servant's hearts and that God will work through us and bless the ministries we will be partnering with. Also, pray for safe travels and that God would show Himself to all of the students and staff on the trip.
