

# THE GRAND NARRATIVE

EPOCH 2  
LAWS & BLESSINGS

SEPTEMBER 7 – OCTOBER 4, 2025

**IN THE BEGINNING... THERE WAS NOTHING.**

Then, in a declaration that shook eternity  
—God said,

**“LET THERE BE LIGHT”**

Before time began, a story was written...

A story of creation and chaos, of covenants and kings, of exiles and redeemers, of battles—both seen and unseen.

Across the pages of Scripture, woven through generations, one narrative emerges—GRAND in scope, eternal in significance.

This is not just ancient history. This is not just a book.

**This... is the heart of God moving through every page, every person, every promise.**

From Genesis to Revelation, The Grand Narrative is our story—A journey from darkness to light, from brokenness to restoration,

From the garden... to the grave... to glory.

*To glory*
