## CONNECTION

December 2023

"It is the most WONDERFUL time of the year - Advent and Christmas! This is such a special time for all of us personally and as a faith community as we anticipate the celebration of the birth of our savior, Jesus Christ. This season at Community Church will be filled with Christmas songs and traditions that you will appreciate and find meaningful.

We are starting a brand new sermon series for Advent and Christmas entitled *The Advent Conspiracy*. The sermon series focuses on the traditional aspects of the Advent season while examining things that get in the way of our fully worshipping and anticipating the birth of Jesus Christ. Life happens and can get in the way of our worship life. This sermon series is designed to help you focus on the true meaning of Christmas - the birth of Jesus Christ. I hope that you will start your Christmas and Advent journey with us in the month of December. It's going to be a life-changing series!"

-Pastor Steve
