The Reason for God with Joe Aronson

This Bible study captures live and unscripted conversations between Tim Keller and a group of people to address their doubts and objections to Christianity. Using literature, philosophy, and Scripture, Keller and the group explore the truth of Christianity.

Christians will be challenged to wrestle with their friends and neighbors' hardest questions, and to engage those questions in ways that will spark an honest, enriching, and humbling dialogue. Capture a live and unscripted conversation between Timothy Keller and the six panelists discussing their objections to Christianity. This study will help small groups and individuals dig deeper into the objections of the Christian faith and to learn about both sides of the issues.

Prodigal God with Joe Aronson

In this Bible study, pastor and bestselling author Timothy Keller uses one of Jesus' best-loved parables- the Prodigal Son- to illustrate the depth of God's love and how his grace extends into some very unexpected places.

Taking you beyond the traditional focus on the wayward younger son, Keller helps you glean insights from each of the characters in Jesus' parable: the irreligious younger son, the moralistic elder son, and the Father who lavishes his love on both. Inside this guide, you'll explore questions from group discussion and personal reflection, and exercises that will help you experience the truths of Jesus' parable in your own life. The gospel is neither religion nor irreligion, but something else entirely. Whether you're a devout believer or a skeptic, The Prodigal God will challenge you to see Christianity in a whole new way.
