The Lord said, "Go out and stand on the mountain in the presence of the Lord, for the Lord is about to pass by." Then a great and powerful wind tore the mountains apart and shattered the rocks before the Lord, but the Lord was not in the wind. After the wind there was an earthquake, but the Lord was not in the earthquake. After the earthquake came a fire, but the Lord was not in the fire. And after the fire came a gentle whisper. 1 Kings 19:11-12

We have so much noise and busyness around us and yet God still speaks in a "gentle whisper" through the Scriptures and by His Spirit. Taking time to prayerfully focus our attention on God helps us tune in to His comforting, guiding voice and hear what he has for us.

From the Guest Book

"(I) Had a wonderful day away with the Lord—praying, journaling, worshipping—so thankful for this space to be away from my normal life. Once again, I am reminded that on the mountain of the Lord—it is provided! We just need to go to the mountain. I came here heavily burdened by many things. Feeling a bit lighter and able to reenter a very challenging season of life. Thank you for providing this cozy and welcoming place to rest and pray! God bless you both for your warm and hospitable hearts!" - Christina

We are so grateful to be able to provide a space where guests can worship, rest and pray. For them to be able to be in God's presence feeling His comfort and hearing His guiding voice. Thank you for your part in making this happen. We greatly appreciate your prayers and financial partnership in the ministry of Whispering Cedars.

Prayer requests:

For ministry leaders to be purposeful in self care and schedule time away to visit Whispering Cedars.

For a vehicle that guests who travel here via public transportation may use while they are here. Many of our guests can't afford a rental vehicle, so we would like to be able to help them by providing a vehicle for their use while here.

For ministry financial partnerships that we may bless many more ministry leaders and that we might be a blessing to those who visit.
