

The Harvest is ripe at Texas Tech!

Thank you for partnering with us through prayer and financial gifts! Please keep praying and would you also please consider a special year end gift for us? Seeing God's work in our friend Shine is why we are fully committed to International Student Ministry with the Navigators. We desire to win, mature, and equip the nations to Christ and His mission for God's glory!

Will you please pray about giving a special year-end gift of \$100, \$200, \$500 or \$1,000? Anchor gifts of \$2,500-\$5,000 help significantly as well.

Thank you for prayerfully considering this request! Together we can go make disciples of all nations just as Jesus commanded us! My friend and now boss with the Navigators (Dug McAlpine) once said "we are better together!"

Partners is the Gospel,
Bruce and Stephanie Szcubialka

P.S. If God leads you to give, go to navigators.org/staff/23838251 or fill out the enclosed giving card and return it in the envelope provided. Checks should be made payable to The Navigators. May I hear from you by December 31? Thank you!

Dear Friends and Partners in Ministry!

We hope your fall has given you many reasons to give thanks and praise God! We are personally giving thanks to God for you and your partnership in the Gospel! "We give thanks to God always for all of you..." (1 Thess 1:2a).

What a privilege it is to join Jesus in His mission to make disciples of all nations! What a joy to develop new disciplemakers by sharing the gospel with international friends, helping them grow in their relationship with Jesus, and equipping them to do the same with others. We have had the great privilege to share our testimony, share the Gospel, read the Word, host meals, lead trips, and worship Sunday mornings with many International friends! Please allow us to share just a few stories.

Shine Luke is a student from India who was baptized this November! We recently had him over to our house for a Thanksgiving meal and to celebrate his recent decision to go public with his faith! Shine and I meet weekly to walk through the scriptures together! It was a joy and privilege to share about baptism in God's Word with Shine! He shared with me how he is currently meeting with God and reading through the book of Job! We give thanks to God for Shines step of faith!

This October we hosted a Barn Dance with some of our ministry partners! We had the opportunity to love on our International friends by providing a wholesome party and teaching some Texas culture! One of our Indian students said it was the most fun she has had in Lubbock! Another Indian student came to church with us the following Sunday because of the great time he had at the Barn dance! It was his first time at church in Lubbock!

This November my wife and I were blessed to attend the Navigator National Staff Gathering with 1,400 other Jesus loving mission minded co-laborers! We worshiped through song, we sought God in prayer, we heard incredible teaching in the Word, we made many new friends and we attended many break out sessions! Some of our favorite sessions were the training we had on the mindset of our Hindu and Muslim friends. We got to glean wisdom from experienced Navigators who spent time in the mission field working with these populations. We are grateful for the encouragement and training!

We give thanks and praise to God for His work in and among The Nations! We join Jesus in His joy to labor in His Harvest! The Harvest is still plentiful and the laborers are still few. We give God our Yes... we will Labor in the Harvest! Please see opposite side for how you can partner with us further.
