

LIFE IMPRINT DINNER

FEATURING MICHAEL FRANZESE

C128 Ministries invites you to an evening you will never forget.

The ***Life Imprint Dinner*** is designed to profoundly enrich the hearts and souls of people from all walks of life – churchied, unchurched, the curious, and anyone seeking hope and meaning. Each year we feature a remarkable story—one so powerful it leaves a lasting impression on all listeners.

This year, we are honored to welcome **Michael Franzese**, a former New York City mob leader whose remarkable journey from organized crime to a life transformed by faith is nothing short of extraordinary. Once a Capo in the Colombo crime family, Michael built a billion-dollar enterprise before experiencing a radical change of heart and choosing a new path. Today, he travels the world sharing how the grace of God redeemed his dark life of treachery.
